Hackney Safer Schools App

Dear Parents/carers,

The Hackney Safer Schools App is free and includes essential advice about making your home and devices safer. It provides information about social media and how to block, mute and report anything that either you (or your child) may find worrying – from images to comments from online bullies.

The App will also help you create healthy media habits, limit screen time, learn about scams and keep your personal data safe. It will complement the information your child's school will have made available via their communications with you and your child.

Download the **App.**

Open the App and scan the QR code below:

Primary School code:

Secondary School code:

If you have children in both primary and secondary school, we suggest you download the secondary school version.

Make sure to allow push notifications to keep up to date with tips, advice and guidance on how to make your children safer.

Executive Head Teacher: Mr Robin Warren
