

At Daubeney, we are always looking for ways to improve so that **EVERYONE** at Daubeney can develop into confident life long learners!

With this growth mindset, our whole school targets for this year are:

1. Improve outcomes for the lowest attaining pupils (30%) in reading and maths.

There are many jobs that involve reading, writing and maths, e.g. an author needs to write; in science you need to use a lot of maths and if you love history you will have to do a lot of reading!

2. Improve writing outcomes for all, including standards of handwriting.

3. Continue to develop high quality inclusive practice.

If we develop the school community, Daubeney will become one of the best schools in history!

Our PE teachers are very good at helping us improve at PE and they have a lot of different sporting events for you to take part in and develop your passion for sport! At Daubeney we love passionate teachers who inspire us!

4. Continue high quality provision in KSI & EYFS.

5. Development of leadership at all levels.
