

Enjoys climbing trees and talks about things they have made and found

Social skills, physical activity, exploring the world, and learning in a real world context I

Social skills and good for mental welfare

Develop his social skills and to help him explore and be more aware of the environment around him. He thrives better outdoors

When we walk through a park he talks to me about the nature and what he learnt at forest school

Emotionally, socially and possibly academically depending on what is discussed in the sessions.

Her social skills and her emotion skills and the open space. Moreover helping her with understanding

Daubeney Forest School

How has Forest School helped your child?

Year 1 Parent Feedback

Blossom Federation

Daubeney, Sebright and Lauriston

Positive things is she enjoys learning visually and actually learning it through play. She likes everything and has no negative thoughts about

Being outside in nature Learning about safety rules while outside
Making a necklace Using magnifying Glass to look at things

She's made a double

Daubeney Forest School

How has Forest School helped your child?

A trip to a woods-Wick woods, would be amazing.
