

January 2024

Dear Parents & Carers

We are delighted to be supporting the NSPCC by taking part in Number Day on Friday 2 February 2024.

Everything the NSPCC does protects children today and prevents cruelty tomorrow
On average, a child contacts Childline every 45 seconds

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

Years 3 to 6 will be taking part in a Times Tables Rock Stars competition.

Years R to 2 will be completing fun, engaging maths activities on the day.

We will also be taking part in Dress up for Digits. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. There will be prizes for the most creative! To help raise money for the NSPCC, we are asking for donations, and we'd love everyone in the school to take part in this special event.

We're really looking forward to all the fun of Number Day, and we really appreciate your support.
All the money we raise at Daubeney Primary School will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Yours sincerely,

Mr Gregory Logan
