Re: Relationships, Sex and Health Education Policy

Dear Parents/Carers,

In light of the upcoming requirement for our Relationships, Sex and Health Education (RSHE) Policy to be presented to the Governors for ratification, Ms Terry Corpe, Sebright's Head of School, will be meeting with parents, pupils, staff and governors from across the Blossom Federation to discuss how we are making sure that our RSHE curriculum continues to meet the government's requirements as well as the needs of our pupils.

We've worked hard to make sure that our curriculum already reflects:

- Our pupils' age and maturity levels, as well as their cultural and religious backgrounds
- The values of our school community
- Every pupil's learning needs
- What pupils need to know to be healthy and safe in school, in their personal relationships and in the wider world
- The requirements of the curriculum for Relationships, Sex and Health education.

If you would like to share your views on our RSHE Policy please come along to our Parents' Workshop at **2:30pm** on **Thursday 7th March**.

You can find the policy here: <https://www.daubeney.hackney.sch.uk/policies/rse-relationship-sex-education>
