

My name is Nova

Nova is a 5 month old Cockapoo.

Cockapoos are highly intelligent dogs and can be trained quite easily; **their naturally loving nature and playful attitude make them a good choice for emotional support or therapy dogs.**

Who does she live with?

Nova lives with Mrs Bird and will come to Daubeney once a week on Friday mornings. When Nova is at Daubeney, she will live in 'The Nest'.

What does she eat?

Nova eats puppy meat 3 times a day: 7am, 1pm and 7pm.

My name is Nova

What does she like doing?

Nova is a quick learner. She loves fetching sticks, going for walks and being around people.

Who is her best friend?

Nova's best friend is Teddy; he is a 4 year old dog and she loves to chase him and play games with him.

What does she like?

Nova loves playing with dog toys. You can buy one for her, if you want.

Will Nova like you?

Nova is only a puppy and learning. If you are kind to her, she will be kind to you.

Support Nova to be calm

Pupils should:

- Remain calm around Nova.
- Don't make any sudden movements around Nova.
- Don't put your face near Nova.
- Always approach Nova standing up.
- Never go near or disturb Nova when she's sleeping or eating.
- Don't pet her without permission.
- Don't pick her up.
- Never feed her.
- Don't shout loudly at her or near her.

Nova will:

- Attend Daubeney once a week to support children.
- Be a best friend.
